REMARKS

Based on the indication in the final Office Action mailed May 30, 2008 ("Final Action") that Claims 20-38 are allowed and that Claims 17-18 recite patentable subject matter, Applicants have amended Claim 17 to independent form incorporating the recitations of Claim 16, and have canceled Claims 1-16 and 19 without prejudice or disclaimer towards pursuit of subject matter of these claims in a continuing application. These amendments place Claims 17 and 18 in condition for allowance, in addition to the already allowed Claims 20-38.

Applicants request passing of the application to issue in due course. Applicants encourage the examiner to contact the undersigned by telephone to resolve any remaining issues.

Respectfully submitted,
